Welcome to ICIARE 2017

On behalf of the ICIARE 2017 Committee, we are delighted to invite you to ICIARE 2017, which will be held in Yamaguchi University (YU), Yamaguchi, Japan during December 14-17, 2017. The objective of ICIARE 2017 is to provide a platform for researchers, academics as well as college students from all over the world to present their results and activities in application researches and innovative educations. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

Please check the newest information from <http://ire-asia.org/ire/iciare/>.

Related fields and topics

Any topic related to innovative application research and education fields is welcome. Since the academics and experts are from different fields with different background knowledge, we expect that the participants will present their research or education results in such a way: explaining the research background and idea/concept in detail; easy-understanding explanation on the theory and results; pointing out the unresolved issues to provide the possibilities for other researches working together.

Accommodation

The organizing committee has reserved some rooms from 14th (checking in) to 17th (checking out), December in 4 hotels which all are situated close to the venue, Tokiwa-dai Campus of Yamaguchi University.

Venue

Ube-city is situated in the western part of Yamaguchi Prefecture. Ube was once used to be a city of industry with the embedded coals but changed the policy to improve the living environment and increase the health of residents since 1950. Ube city has been awarded the "Global 500 prize" from the United Nations Environmental Planning (UNEP) in 1997 for their efforts called "Ube protocol" to improve the environment. Ube-city has its basis still on the chemical industries but Ube is also famous for artistic acts. You can find various sculptures around the city center of Ube and the Tokiwa-Park is a famous park located around the lake of Tokiwa to offer a space of refreshments for visitors and/or Ube residents. You can also enjoy various healthy and tasty dishes of fish, beef and vegetables. Enjoy your stay in Ube during the conference.
